21st October 1996

The President of the United States of America
Mr. William Jefferson Clinton
White House
1600 Pennsylvania Avenue, NW
Washington, D.C. 20500-0001
United States of America

Dear President Clinton,

UPDATE

The following is a record of some further revelations that pertain to you and the United States of America.

In early June, it was revealed to me that the bipartisan Congressional Committee on Whitewater, at the conclusion of its investigation, could not find any wrongful or unethical acts committed by you. In the vision, following by exoneration, you came into the chamber at the end of the final session of the committee and shook hands with the members of the committee. However, your political adversaries in the committee were very disgruntled at your exoneration and therefore proceeded with their partisan investigation.

About a month later, I was shown a very brief vision about something somewhat dramatic, but still unclear to me that happened as The Spirit revealed to me that: "That was the end of Clinton's Whitewater and related ethical problems."

In a vision on the 9th of September 1996, I saw you in the Oval Office as it was revealed to me that you work exceptionally hard as President of the United States. I was further shown that you did a test which had fifty items. I then saw a hand mark the test, and you passed all the fifty items. A lady was shown expressing amazement and anger at the fact that you passed all fifty items. The logical interpretation of the foregoing vision is that you could win all fifty States in the November 1996 Presidential elections. Your electoral victory, as stated in my letter of 21st August 1996, was revealed to me in May 1996.

On September 22, 1996, an aerial attack on a United States' target was revealed to me. I saw about three (3) fighter planes with bombs hanging beneath them, flying over the target. Next, a United States' warship docked at a wharf where military Medical/Nursing personnel disembarked. An injured person disembarked in a wheelchair. I also saw other injured persons being carried off the warship on trolleys. Immediately, you delivered an address to the nation on television, assuring the people to the nation on television, assuring the people of the United States that the attack had been contained and that everything had been put in place to defend the country and protect the citizens. You then urged the populace not to panic.

The name of the United States' target and/or territory that was attacked was not revealed to me. Similarly, the aggressor-country was not revealed to me. However, Italy was mentioned but the content was clear.

It is evident from these and other revelations that GOD, who reckons with the hearts of men rather than their public personae, has bestowed significant grace on you. Above all, these revelations constitute a categorical testimony to the fact that GOD is in Control of Human Affairs.

LET GOD BE GLORIFIED!

Congratulations and God bless.

Sincerely,
